

**ODESSA COLLEGE**  
**RADIOLOGIC TECHNOLOGY PROGRAM**  
**APPLICATION CHECKLIST**

**PROGRAM DESCRIPTION**

The faculty of the Radiologic Technology Program believes the graduates of the program will become an integral part of the medical community. Students must possess outstanding technical skills and excellent interpersonal communication skills. Only 18 students enter the program each year through a competitive selection process. Upon completion of the 22-month program, graduates are eligible to sit for the national exam offered through The American Registry of Radiologic Technologists.

**LEVEL OF CREDENTIALS**

Associate in Applied Science – Radiologic Technology

**APPLICATION CHECKLIST**

- ☐ 1. High school graduate or equivalent
- ☐ 2. Minimum college GPA of 2.5 (the program is very competitive; GPAs above 3.0 improve the applicants chances of acceptance)
- ☐ 3. General education requirements:
  - ☐ BIOL 2401 and 2402 – Anatomy & Physiology I & II (see program packet for additional details)
  - ☐ MATH 1314 – College Algebra
  - ☐ ENGL 1301 – Composition I
  - ☐ PSYC 2314 – Lifespan Growth and Development
  - ☐ PSYC 1300 – Learning Framework
- ☐ 4. All courses must be passed with a grade of “C” or higher
- ☐ 5. Complete program application (form located on website)
- ☐ 6. Acceptable scores (75 and above) on the HESI
- ☐ 7. Three completed reference forms (form located on website) **Reference forms must be sent by the individual completing them. No reference forms from applicants will be accepted, either in person or mailed with other documentation. Reference forms cannot be completed by family members.**
- ☐ 8. Completed documentation of all required immunizations.
- ☐ 9. Deadline for application is April 30<sup>th</sup> each year. This is for all program paperwork. (All program paperwork can be emailed to [radtech@odessa.edu](mailto:radtech@odessa.edu). Documentation must be submitted as a PDF attachment.) However, all courses completed at the end of spring semesters will be considered in the application process.
- ☐ 10. If possible, students should complete RADR 1201 – Introduction to Radiography by the end of the spring semester in which they are applying.

Students with highest point totals will then proceed to an interview, where only the GPA and the interview will be considered.

All information regarding the program can be found at: [Odessa College Radiologic Technology](http://www.odessa.edu/radiologic-technology)
