

RESPIRATORY CARE

Respiratory Care is a specialized healthcare field where practitioners, known as Respiratory Therapists, are trained in pulmonary medicine to work therapeutically with people suffering from pulmonary disease. Respiratory Therapists are known as Respiratory Care Practitioners in the state of Texas. The educational preparation to enter this profession is an Associate degree in Respiratory Care from an accredited program.

Applications will be accepted from May 15th– June 16th

LEVEL OF CREDENTIALS TO BE EARNED:

Associates of Applied Science in Respiratory Care
