General Information About Logins and Web Access

General: Information on the Student, Faculty, and Employee web pages is secured by use of a UserID and Password.

Logging In: You are only asked to login when you attempt to access a secured function.

Who has access: All currently enrolled students (beginning Spring 2003) and currently employed OC staff have been assigned Web UserIDs and Passwords. Any student enrolled prior to Spring 2003 may request access through the link at the bottom of this page. Please verify that your UserID does not already exist before submitting a request for a new UserID.

Web User ID: The Web User ID consists of your first initial, last initial, and college ID # without leading zeros, all in lower case letters.
Example: John Quincy Doe ID# 0014155 = j0214155
Example: James Quincy Doe ID# 0000122 = j4522

Password: (PIN) Your initial password is the lower case characters "oc" plus the last 4 digits of your Social Security Number.
Example: oc0510

If you decide to change your password, your new password must be from 6 to 9 characters in length and contain at least 1 number and There will be no visible indication or change to the screen to show that you are logged in.

What's My UserID: If you have encountered problems, you may lookup your Web User ID. This process will require:
1) your Last Name as it appears in the OC Database
2) either
a) your Social Security Number -or-
b) your 7 digit College ID (also called a Colleague ID) located on your Student ID card. Leading zeros are required.
